

2023 unite@thehill

Join us for half-day wellness seminars and meetings with your Congressional representatives to advocate for patients living with chronic illness. Empower yourself and speak on behalf of patients and caregivers around the country!

Sunday, May 7

Afternoon seminar series. Topics will focus on "wellness" for those affected by these disorders. We will update this section as we finalize the speakers.

Monday, May 8

Travel to Capitol Hill to advocate to your State and Local Representatives.

*After you register, Bobby Jones CSF Committee will set up your appointments.
