

2026 unite4answers Registration Instructions

Register for a unite4answers event

1. Click the “Register Now” button on your event’s home page
2. Complete registration including title, first name, last name, email, phone, address*, city, state, zip, t-shirt size, answer the question about registering someone under the age of 18, read the event waiver, and check the box to accept the waiver agreement.
3. Click the Register button
4. Click “Become a Fundraiser” button.

Here’s what will appear on your screen:

5. Now you can create or join a team by clicking “Join or Create Team.” If you will not be joining or creating a team, you can Personalize My Page by clicking that button.

To Join or Create a Team

1. Click “Join or Create a Team.”
2. Enter the team name or search for an existing team
3. At this point you can customize your team page. Please use your personal page when sharing with family and friends because donations must go towards an individual to qualify for incentive prizes. The amounts will accumulate under the individual and the team.

**We need your address so we can send you any incentive prizes you earn!*
